30 April 1981

MEMORANDUM FOR: Helen L. Boatner  
Director, Political Analysis

THROUGH: Director, National Foreign Assessment Center  
Director, DCI-DDCI Executive Staff

FROM: Director of Central Intelligence

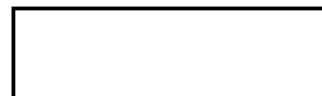

SUBJECT: Request for Approval to Publish Unclassified Version  
of Study on International Terrorism in 1980

I am inclined to publish the unclassified version of the annual report on terrorism but think we might defer that decision until we are more certain it is in sync with whatever comes out of the current estimating effort.
